NEED HELP WITH CHILD CARE OR PRESCHOOL?

CEL can help.

The Centralized Eligibility List (CEL) is a list of income-eligible families in need of help paying for child care or half-day educational preschool.

Take the first step: Apply to be on CEL.

By placing your family on the Santa Clara County CEL, you improve your chances to receive help with child care costs. Any one of the 36 participating state funded child development programs with a child care or preschool opening can locate your name on CEL and contact you for assistance.

To apply, contact CEL at
www.santaclearacountycel.org

or
(877) 235-0095

The CEL is managed by Community Child Care Council (4Cs) of Santa Clara County, Inc.
